Centre for
**Global
Cooperation
Research**

A Central Research
Institute of the University
of Duisburg-Essen

KHK/GCR21 is the youngest of the ten Käte Hamburger Kolleg supported by the German Federal Ministry of Education and Research. The Centre recognises global cooperation as the key to solutions for urgent transnational problems. It provides a framework for internationally renowned scholars from different disciplines to pursue research on the challenges and opportunities of global cooperation in a culturally diverse world society.
