About the Centre

Käte Hamburger Kolleg / Centre for Global Cooperation Research is an interdisciplinary research institute of the University of Duisburg-Essen. The Centre provides a framework for internationally renowned fellows from different disciplines and world regions to pursue research on the opportunities and challenges of global cooperation amidst political-cultural differences in the world society.

Käte Hamburger Kolleg / Centre for Global Cooperation Research was co-founded by the German Development Institute / Deutsches Institut für Entwicklungspolitik (DIE), the Institute for Development and Peace / Institut für Entwicklung und Frieden (INEF), and the Institute for Advanced Study in the Humanities (KWI).
